District councillor denies disrespecting colleagues

A DISTRICT councillor has appeared before East Devon District Council's Standards Committee, accused of failing to treat two fellow councillors with respect.

A verdict is expected at some point this week.

Councillor Mike Allen (Cons, Honiton St Michael's Ward) was accused of failing to treat councillors Claire Wright (Ind, Ottery Rural) and Roger Giles (Ind, Ottery Town) with respect.

It was also alleged that he made an untrue statement about Councillor Giles to Pulman's View when responding to a statement issued by Councillor Giles.

Former Seaton mayor Sandra Sample was one of three people making the original and formal complaint to EDDC.

An investigation was launched and a 95 page report has been compiled.

The complaints were filed in November last year and refer to meetings of EDDC's Local Development Framework Panel,

By Anders Larsson
anders@tindlenews.co.uk

which was chaired by Councillor Allen.

Following the investigation, the matter was heard by EDDC's Standards Committee on Friday, May 25th.

The investigator, Tim Darsley, had penned a report in which he wrote: "If councillor Allen's conduct is viewed as a whole, I found that he failed to follow the code of conduct six times."

"Councillor Allen indicated that he did not accept the report's findings."

In a reply to the investigator's draft report, included in the agenda, Councillor Allen wrote: "I do not believe that your findings are taking into account my comments about the political bias of the complaints nor do I believe that the people you interviewed are representative of the individuals who witnessed my behaviour as LDF chair – you have not interviewed other members of the LDF forum for example."

"These people understood the political campaign waged against previous chairs of the LDF panel."

"I am seriously concerned about the political bias in your investigation and cannot accept its findings as fair and accurate until other LDF forum members and particularly Andrew Moulding and Ray Bloxham are interviewed since they were directly involved in sitting beside me to give me their counsel as experienced members of the council."

Mr Darsley replied that the range of witnesses interviewed does not give an unrepresentative picture of events in question.

He also wrote: "Apart from you and complainants, I interviewed eight witnesses."

"Four of these were officers, who had no political agenda. Two were district councillors (a Conservative and a Liberal Democrat) who had attended all

four panel meetings from a neutral standpoint.

"Only one witness could be said to be associated with the complainants."

An EDDC spokesperson said on Friday afternoon that the Standards Committee would not make a

decision on the day, but would issue a verdict within ten days.

EDDC's Standards Committee has a raft of "punishments" available if the accused is found to have broken the code of conduct.

The list of sanctions includes anything from six months' suspension to a requirement that the councillor in question undergoes relevant training.

Any councillor found guilty has the right to appeal.

WHITFORD

Clean-up after lime spillage

THE Environment Agency has described the environmental impact of last week's spillage of agricultural lime in Whitford as "negligible".

Something went wrong when a tractor and trailer travelled through the village on Tuesday, May 22nd. It is unclear precisely when the problem arose, but it resulted in a trail of lime spreading through Whitford.

Whitford resident Ken Bannister said he alerted Devon County Council's (DCC) highways department when he got home at about 9pm, but it appears that not much happened until the following morning.

Mr Bannister said: "It looked like snow, but I thought it was lime."

He was proved correct and in a statement issued the following day, an East Devon District Council (EDDC) spokesperson said: "There has been a spillage of agricultural lime."

"DCC and the Highways Agency are likely to be the main operatives in the clean up - they are essentially undertaking an uplifting operation in the worst area."

"The bulk of the substance is on the road and there is some concern about any possible impact on the River Axe so they are also cleaning in this area to prevent contamination."

From the editor's chair A right royal weekend

WHILST you are enjoying a knees-up at the various celebrations to mark the Queen's Diamond Jubilee - hopefully in glorious sunshine similar to that shining through my office window as I pen these words - spare a thought for my overworked reporters and sub-editors.

The new enlarged **Pulman's View** stable covering East Devon, South Somerset and West Dorset now has 16 town titles - and that means all editorial hands on deck to produce special Jubilee papers next week.

We will also be producing a Jubilee Souvenir publication covering the whole of our distribution area printed on good quality paper and stitched, providing a lasting record of this important historical celebration.

It will go on sale at the end of next week at all good newsagents.

I must admit I can't wait for next weekend. I am

involved in the organisation of a comprehensive programme of events in my home town but I hope to find time to see a bit of patriotism elsewhere in **Pulman's Country**.

Actually, I don't think you have to be a fanatical monarchist to join in the celebrations. This is a significant event in the history of this country, unlikely to happen again, and provides a wonderful opportunity for communities to come together to celebrate what is best about this great nation of ours.

Not sure my reporters will think that way come 5 pm next Tuesday - but that's part and parcel of working for a community newspaper.

Pulman's Country has never been short on community spirit and over the next few days we will see towns and villages hanging out the red, white and blue. I hope you have right royal weekend.

Council probe into 'disrespect' claim

A DISTRICT councillor has appeared before East Devon District Council's Standards Committee, accused of failing to treat two fellow councillors with respect.

A verdict is expected this week.

Councillor Mike Allen (Cons, Honiton St Michael's Ward) was accused of failing to treat councillors Claire Wright (Ind, Ottery Rural) and Roger Giles (Ind, Ottery Town) with respect.

It was also alleged that he made an untrue statement about councillor Giles to **Pulman's View** when responding to a statement issued by councillor Giles.

Former Seaton mayor Sandra Sample was one of three people making the original and formal complaint to EDDC.

An investigation was launched and the investigating officer's report runs to 95 A4 pages plus appendices.

In short, the complaints were filed in November last year and refer to meetings of EDDC's Local Development Framework Panel, which was chaired by Councillor Allen.

Following the investigation, the matter was heard by EDDC's Standards Committee on Friday.

The investigator, Tim Darsley, had penned a report in which he wrote:

AXMINSTER

Police and fire to share

A NEW shared police and fire station for Axminster looks more likely after the submission of a planning application.

As revealed by **Pulman's View** in February, Devon and Cornwall Constabulary and Devon and Somerset Fire and Rescue Service were in talks to share Axminster Fire Station. Such a move would require major work on the fire station, which has seen very little change since it was built in 1963. At the time, fire chiefs indicated they would seek to improve the fire station regardless.

A planning application has since been submitted by the fire and rescue service, and it includes "provision of office accommodation for use by the local police service".

SIDMOUTH

Cash boost for fund

THREE local organisations have bumped up the funds for Sidmouth's branch of the Royal British Legion in aid of their "Armed Forces Tribute Fund".

Gathering at Sidmouth Conservative Club on Wednesday of last week, representatives from the Royal British Legion were presented with a total of £2,600 towards a memorial plinth, which will be sited at an area known as Lenin's Tomb in Blackmore Gardens.

The first presentation came from the Sidmouth Dancing for Charity Club who have spent the last three months raising £500 for the tribute fund.

Chloe's fifteen minutes of flame

A HONITON Tae Kwon Do instructor is enjoying her 15 minutes of fame, after carrying the Olympic flame through Taunton on its 70-day tour of the UK.

Her face appeared in the national news after a surprise guest torchbearer caused a stir among crowds, who gathered to watch the flame pass through the Somerset town.

Already excited to carry the torch, Chloe was thrilled to discover she would be passing the flame to the mystery guest – none other than Will.i.am, American superstar, and coach on BBC One talent show, The Voice.

Describing her Olympic torch experience as “a dream come true” and “surreal”, Chloe enjoyed every minute and was delighted when she found out she would be passing the flame to the Black Eyed Peas star.

She said: “It was all very overwhelming to begin with and it was very exciting to be there and be part of it. It was like a dream come true anyway but to get there and be told I would be passing the torch to Will.i.am was amazing, as I love his music.”

“It was all a bit surreal. He was amazing, such a genuinely nice guy, very down to earth. He was just as nervous as the rest of us. He said he was more nervous than when he performs of stage.”

Describing her experience, Chloe said: “I started walking with the torch and the crowds were cheering and all eyes were on me, I quite enjoyed being the centre of attention.”

“The atmosphere was really nice, with all the crowds cheering. Everyone was there to enjoy themselves and there were lots of kids and families, which was nice.”

The 26-year-old mother of two was one of 8,000 people selected to carry the flame, in the lead up to the Olympic games this summer, after she was nominated by a family who attend her Tae Kwon Do classes.

Chloe, who lives in Feniton, always dreamed of being an Olympian and had planned to transfer to the Olympic style of Tae kwon do, but having young children meant

she had a difficult choice to make and instead she now runs Tae kwon do classes in Broadclyst and Honiton, which she loves.

Chloe has also been selected to appear in a TV advert for Coca Cola, which she filmed this week in Wales.

“Carrying the flame was one of the best days of my life and I would like to thank everyone who has supported me. Even those who couldn't make it still showed their support online and it really does mean a lot to me, to know there are so many people out there who care about me,” she said.

“It was a huge experience and I feel honoured to have been chosen.”

... and Ryan's too

A HONITON torchbearer will be using his Olympic torch to help raise funds for the swimming pool where he works.

Eighteen-year-old Ryan Braunton-Turner plans to display his replica torch at the Flamingo Pool, Axminster, for pool users to see and have their photograph taken with in return for a donation. All money raised will go to the charity run swimming pool.

Ryan is one of 8,000 selected to carry the torch and completed his run last week in Minehead.

Speaking of the once-in-a-lifetime experience, he said: “It was an indescribable experience. It was absolutely amazing. I completed the run on the way into Minehead so as I was running the crowds

got bigger and bigger and there were even more people cheering me on.”

He added: “The best thing about it for me is the torch itself.”

“I am going to be displaying the torch at the Flamingo Pool in Axminster for people to see and hopefully we are going to be doing some fundraising for the pool, which is a charity, by selling photos for a donation.”

Swimming pool manager, Steve Buxton said: “We are really proud of him, it is a fantastic achievement to be selected and he is such a great kid.”

“We are hoping to have his torch here soon.”

The money will go towards an appeal to replace the swimming pool liner which will cost in the region of £50,000.

Pedestrian taken to hospital following accident

A PART of Honiton High Street was closed off after an accident involving a car and a pedestrian in the morning of Monday, May 28th.

The accident happened at about 8.15am and a police spokesperson said: “The High Street was closed at New Street and re-opened just

before 9am.

“A woman was taken to hospital, but her injuries are not life-threatening or life-changing.”

If you have a story for Honiton contact Laura Goldsbury Noy on 01297 446144 or email laura@pemedial.co.uk

Planting season marked by service

THIS year's planting season was marked with prayers for farmers in the area at a barn service at Higher Hampton Farm on Sunday, May 13th.

It was a very ecumenical event with many farming families and children present.

The service was conducted jointly between The Reverend Alastair McCollum and Pastor Darrell Holmes.

The music group, under the direction of Margaret Hurford, led the singing of a number of familiar songs and hymns.

The ministers gave a very thought provoking presentation about the importance of farming in this community and throughout the world.

In spite of being busy making silage in the

good weather, in an interview conducted by Caroline Lavender, Martin Williams gave an interesting account of the history of Higher Hampton Farm.

He explained how the milking herd was managed and also spoke about other farm activities.

Children were supplied with compost and pots for planting pumpkin seeds to be judged at the village harvest supper in October.

It was a delightful occasion and the Williams family were thanked for their help with hosting this very special day in the farming year.

Refreshments were enjoyed following the service.

Signalling problem

A **SIGNALLING** problem forced buses to replace trains between Exeter and Yeovil for part of Thursday, May 24th.

As a result, passengers travelling to and from Axminster, Honiton and Feniton were among those affected.

A South West Trains spokesperson said: "There was a signalling problem last Thursday in the area which caused disruption to services on the West of England line.

"As a result of the problem, trains were not able to run between Exeter St Davids and Yeovil Junction for much of the day and a bus replacement service was put in place for passengers instead.

"The line was re-opened at around 3:30pm and we returned to normal service as quickly as possible. We apologise to passengers for the inconvenience caused by this disruption."

Car damaged

Councillor Foster said: "There is a wide range of activity happening in the town during the Jubilee weekend and details of this are on all the noticeboards.

"I am looking forward to celebrating with everyone in Honiton and I am very pleased that we are able to put on this variety show featuring so many of our talented people.

"I am particularly grateful to the Rector and Churchwardens of St Paul's Church who are allowing us to use the church facilities, ensuring that this can be a free event for residents."

Mechanics in the making

STUDENTS working in their spare time to restore a 1971 MGB GT at Honiton Community College have successfully stripped the car after only two days.

A team of eight students have been working with experts Mike Dalby, Richard Wood and Dennis Hobbs from the Crash Box and Classic Car Club, who are supporting the project with practical and financial help.

The students are hoping to restore the vehicle to then display it at an annual Historic Vehicle Gathering at Powderham in July.

With the help of the classic car club trio, Devon STEM ambassador Peter Shrubbsall and parent governor Julian Phillips, the team have so far removed and split the engine and gearbox, they stripped most of the body and back axle, steering rack and exhaust was removed. The engine head was taken off and valves removed.

The group have started compiling a list of parts required and work on restoring the engine has begun.

Town band concert for Shelterbox

■ HONITON Band recently hosted a charity concert at St Paul's Church to raise funds for Shelterbox.

Also performing with the band was the Sheldon Singers.

During the evening, representative for Shelterbox Don Waterhouse, gave a presentation highlighting the work of Shelterbox volunteers.

A tent was also erected in the Narthex of the church and items contained in a box were on display.

The evening raised £356 for the charity.

A spokesperson for the band said: "We would like to convey our appreciation to those who attended and supported the evening.

"Thanks must also go to a group from within the Sheldon Singers, who contributed a commanding performance."

A cheque was presented to Mr Waterhouse by Musical Director of Honiton Band, Arthur Williams (pictured left).

PTA launch new website

OFFWELL Primary School's Parent Teacher Association has a new website.

They are one of a few PTAs to introduce their own website to showcase their work and fundraising.

The site was created by DW Internet, based in Axminster, and works on a blog format allowing people to share their ideas and comments, as well as navigate around pages involving the group's activities and fundraising events.

The PTA have also incorporated a special "QR code" which can be scanned by smart phones and will lead users straight to the website. They have also created a Facebook page for parents to discuss their ideas.

Member of the PTA, and representative of DW Internet, Anna D'silva Williams, is pleased with the site's success and the positive impact it has had on school and the PTA.

She said: "Everyone has been behind us and we have been really lucky. The website and online applications has had a hugely positive effect on the PTA, with marked increase in attendance to our meetings, new volunteers and ideas for future events and new fundraising."

"It allows others to access the PTA as we are a like minded group of parents that just want to provide an outstanding education for our children, and we welcome everyone to join in and help with our work."

"We believe all organisations, big and small, deserve a

first rate web presence, but clearly some charities simply cannot afford it.

"Therefore we were delighted to step in when the PTA decided they needed a website to showcase what we do."

Headteacher of Offwell Primary School, Mrs Cowland was also pleased with the website and said: "It is fantastic that our school has a group of dedicated parents who work with the school for the benefit of all the children. The newly launched PTA website is just one excellent example of this."

Police warn of money laundering scam

POLICE have issued a warning about a suspected money laundering scam after complaints from residents in Honiton and Axminster areas.

A police spokesperson described the plot by saying: "The first part of the scam is where the offenders, who we believe may be operating outside of the UK, offer loans, but begin asking for administrative payments before they release the funds."

"These admin payments begin to build up with the promise of the loan being just within reach if the victim makes another payment and then another payment."

"Of course the loan is never provided and the victim loses their money."

"The offenders however are placing the funds in to British bank accounts where the second part of the scam is being implemented."

"The offenders are offering jobs as financial forwarding co-ordinators."

"A recent example was where contact was made with the victim by a company supposedly dealing in art."

"They then place funds in the accounts of the second victims, this being money taken from the first victims."

"They instruct the second victims to immediately pay the money via Western Union transfers in to offshore accounts, which in effect launders the 'money'."

"If anyone has been contacted offering loans, and having to pay administrative fees upfront, or been offered employment which involves money being paid in to their own bank accounts with instructions to pay it straight out again to offshore accounts, then beware."

"This could well be a scam and should be reported to your local police on 101."

Birthday treat for Arthur

ONE of Honiton's eldest residents celebrated his 102nd birthday at home and away.

Family members took birthday boy Arthur Harris to Sidmouth to celebrate his birthday on Tuesday, May 22nd.

The day-trip was followed up with a birthday bash the next day with staff and fellow residents at the Abbeyfield care home in Honiton.

Mr Harris was born in Bristol and spent most of his life in or around the city.

He had a very happy childhood despite struggling at school.

Mr Harris explained: "I was a proper duffer at school. I think I was dyslexic."

"Not badly, but enough to put me back."

"They had never heard of it [dyslexia] then."

He entered working life by taking on a milk round at 14.

He later moved on to the printing industry but lost his job when he became a conscientious objector during World War II.

Because of this, he struggled on the job

market before landing a position as a phone cable layer, which he held until the end of the war.

He then worked for the National Grid for three years, became a phone installer for eight years before spending the last 19 years of his working life in the aircraft engineering industry in Bristol.

Married to Gwladys, he fathered three daughters.

Sadly, one of them died in a road accident at the age of 36.

In total, Mr Harris has 14 grandchildren and great grandchildren.

He has been a widower for some time but had his own flat in Bristol until the age of 92, when he

moved into a care home in Keynsham.

But he moved to Honiton about five years ago to be nearer one of his daughters.

He really enjoyed the trip to Sidmouth, and plans to go again for his 103rd birthday.

He laughed when saying: "It was a beautiful day. I said thank you to them [his daughter's family] and booked them for next year."

John gets everyone singing

By Laura Goldsbury Noy

laura@pemedial.co.uk

HUNDREDS of singing enthusiasts gathered at St Michael's Church in Beer for a singing workshop with well-known composer, John Rutter.

Organised by Gayle Chapple and Fiona Evans, 'Come and

Sing with John Rutter' attracted over 300 singers last Saturday, raising around £3000 for local

charities. The group took to learning a number of songs in a one-day workshop before per-

forming to friends and family as a special finale.

Fiona who runs Seaton women's choir 'Seaton Babes and Ballads' and also Beer's 'Seriously Occasional Singers' group was pleased with the event's success.

She said: "John Rutter is one of Britain's most loved and prolific composers and was even commissioned to write a piece for the Royal Wedding last year. It was truly an honour for him to visit Beer.

"Gayle organised a brilliant team of helpers throughout the day who made more cups of tea than they'd ever seen and people donated heaps of cakes.

"It was a wonderful community event and people travelled from near and far to be there, with the event selling out weeks in advance.

Pecorama gallery attracts top local artists

PECORAMA has had a busy few weeks after the Station Halt Gallery, set in its gardens, played host to a number of art exhibitions.

The gallery was first taken over by Seaton and District Arts Society who embraced a 'Spring Arts Week' theme earlier this month.

Exhibiting a range of work, from oil and watercolour paintings, to mixed media, textiles and three-dimensional work from over 35 local artists, the art society pulled out all the stops for their exhibition.

Last week, the gallery also played host to an exhibition of fine paintings and prints by well-known Sidmouth artist Robert Crisp.

Robert's inspiration comes from urban manmade landscapes, capturing light and reflection as well as different types of the day and the year.

The exhibition showed a selection of Robert's work from a two-

year period, depicting cities such as London and Venice as well as seaside landscapes of Sidmouth and Beer.

Robert was pleased with the exhibition and said: "Pecorama is a fantastic hanging space and I am so grateful to the Peco team

■ ROBERT Crisp poses next to one of his many impressive landscape paintings

for welcoming me and letting me use the gallery in such a wonderful location."

Pecorama are keen to promote their gallery as the 'perfect venue for art exhibitions', which has an unusual circular shape, picture rails and lighting facilities suited to the job.

There will be three further exhibitions during the course of the season and staff at Pecorama hope many people will take the opportunity to view the varied work on display.

Michael Ahearne will be exhibit-

ing original oils, acrylic paintings and limited edition prints from July 14th to July 19th, and wildlife artist Linda Wilkes will have her work on show from September 12th to 14th.

A special visit from Axminster Photographic Society will also take place from September 17th to 22nd where there will be an exhibition split into three sections.

The group will be showcasing its history from inception through to current examples of members' work, including railway related

images linking to the Pecorama site.

For art exhibitions, Pecorama waives the charge for the use of the gallery; it just requests ten percent of any sales made.

If you would be interested in exhibiting work in the Station Halt Gallery, please contact Pecorama for further details and available dates on 01297 21542.

Cycling amongst the bluebells

THIS year has seen a bumper display of bluebells and they were at their peak on May 13th for the Axe Valley Pedallers Annual Bluebell Ride.

The weather was perfect and over 20 riders took to the wooded hills between Musbury and Uplyme, passing quaintly named Cathole, to see a profusion of colour before sweeping down to the sea front at Lyme Regis.

After a breather, Ben 'Buster' Dowell took the group back up the river valley and along the old Roman road to Uplyme, using his local knowledge to navigate through the narrow lanes and under the viaduct to emerge at Rousdon. Then it was all downhill to Axmouth and along the Axe estuary to return to sea level at the tram station in Seaton. For details of AVP rides see axevalleypedallers.org.uk

Plant sale is huge success

■ A PLANT sale organised by the Friends of St Andrew's Church in Feniton earlier this month was a great success.

The support of those who brought and bought plants and produce was fantastic and the late change in the weather (warm and dry for once!) made it all the better. Supporters were able to browse amongst the stalls at leisure and enjoy coffees and cream teas in the beautiful gardens of Feniton Court, overlooking a field full of long-horn cattle and their playful calves.

The amount raised has yet to be confirmed, but so far the sale of plants has raised over £2,336; the teas, raffle, books, preserves, cakes and bric-a-brac stalls raised another £1,167.

The Friends would like to thank everyone for their support in this magnificent effort – those who donated, and those who bought – with a special thank you to the volunteers who spent their weekend in Church Lane and the gardens, serving and advising customers. Without them the event would not have been possible nor such a community success.

The next event at St Andrew's Church is on Saturday, June 16th from 10am to 5pm when there will be brave – or is it foolhardy? – volunteers abseiling down the church tower. Half the sponsored funds raised will go to the Melanesian Mission, which has an historic link with Feniton, and half to the volunteers' chosen charities.

This event is being led by the local school's headmaster, Colin Butler. Everyone is welcome to come along and show their support.

Kilmingington's big plans for Jubilee

THE village of Kilmingington has a number of events planned to celebrate the Diamond Jubilee this weekend. The village school is holding a gala afternoon on Friday, whilst there's a treasure hunt on Saturday afternoon followed by a barn dance.

There's a combined church service on Sunday morning followed by a street party and a 'Family Fun Olympics' in the afternoon.

The entertainment continues on Monday with a Royal themed fancy dress parade, tree planting ceremony and seat dedication in the afternoon. This will be followed by a hog roast and entertainment in the Village Hall from 7pm.

To complete the celebrations, a beacon will be lit on top of the church tower between 10pm and 10:30pm on Monday night, as part of the countrywide event. For more information on the planned activities, download the programme from www.kilmingingtonvillage.com

Kilmingington also has a number of scarecrows and figurines dotted around the village, including 'Charles and Camilla', pictured right, created by David Vickers and on display outside The Beeches in Shute Road.

Fenny Bridges garden open

LITTLE Ash Bungalow garden at Fenny Bridges, near Ottery St Mary, will be open to the public on Bank Holiday Monday (June 4th).

The garden is the creation of Helen Brown, who was a finalist in the prestigious BBC Gardener of the Year 2009 competition.

The garden has been developed over the past 12 years and has mixed tree, shrub and herbaceous borders filled with interesting plants. There's also a pond and natural stream, with shady woodland space and small meadows.

Helen said: "I love to share the garden

with people. There's nothing I enjoy more than wandering around talking plants with fellow enthusiasts, and even better if I can raise money for charity at the same time."

The one and a half acre garden situated just off the A30, three miles west of Honiton, is open from 1:30pm to 5:30pm in aid of the National Gardens Scheme which raises money for charities such as Macmillan Cancer Support, Marie Curie, Help the Hospices and Cross Roads Care.

The first cuckoo

READERS' letters keep coming! I haven't heard one yet, but Mrs Haydon from Wilmington writes to tell me that on May 11th she heard a cuckoo calling close by, the first she has heard in all the years she has lived in the area, having moved to the village in 1987.

Her swallows have returned, but the housemartins which nested there for some years have not been seen for several years.

In Axminster, Mrs Stevenson counts birds for the British Trust for Ornithology and tells me that she regularly sees bullfinches and greenfinches, with an occasional blackcap and goldcrest wren and garden warbler. However, the downside is magpies, jackdaws and grey squirrels, with the occasional young sparrowhawk in the autumn.

Susan Jamieson writes from East Devon and agrees with me that the RSPB seems to have little understanding of the inroads being made into songbird populations by raptors, corvids and grey squirrels.

Where she works there is a two acre garden with trees and overgrown areas and in two years she has seen the songbird numbers treble by dealing with the grey squirrels.

However, she points out that jays, magpies and greater spotted woodpeckers are constantly attacking fledglings. Woodpeckers, as I well know, are rampant predators and will drill into a nestbox to pull out and kill any young.

Jays, writes Susan, have been seen killing fledgling chaffinches, though a mistle thrush has been spotted seeing off a magpie.

The decline in songbirds, writes Susan Jamieson, is down to predators and nothing more. Well, I have no doubt the RSPB would dispute this and blame the decline on loss of habitat and modern farming practices.

There may be some element of truth in this, but I have not the slightest doubt that the appalling decline in our song, hedgerow and garden birds is due to excessive pressure from multiplying predators.

I was interested to note that the Army is helping to bridge the Fleet at Chesil Bridge. While their comrades are serving in Afghanistan, the remaining members of 26 Engineer Regiment have been constructing a new wooden access to cross the Fleet by the Fine Foundation Chesil Beach Centre.

The 100 metre boardwalk will enable visitors to cross the Portland end of the Fleet, even at high tide, to access the Chesil Beach. I understand that the Centre and boardwalk will be open on July 21st and you can even make your mark on the project by sponsoring a plank for £50 with an inscribed plaque. Visit www.dorsetwildlife trust.org.uk/chesilbeach for further details.

One of the most delightful features of the Chesil Beach is the Crab House Cafe which, in splendid Mediterranean style, overlooks the Fleet at the Portland end. I spent a very convivial couple of hours there one gloriously sunny blue sky day last week, lunching with the better half and two friends. There is no over-the-top pretension, but there is superb seafood, tables in the open, good service and a thoroughly cosmopolitan atmosphere.

I have to say that the oysters were slurpingly delicious and the whole crab, supplied with a hammer and various accoutrements to extract the meat was pure heaven. Luckily I was supplied with a bib and a plastic bag into which the crab could be inserted when the hammer was wielded!

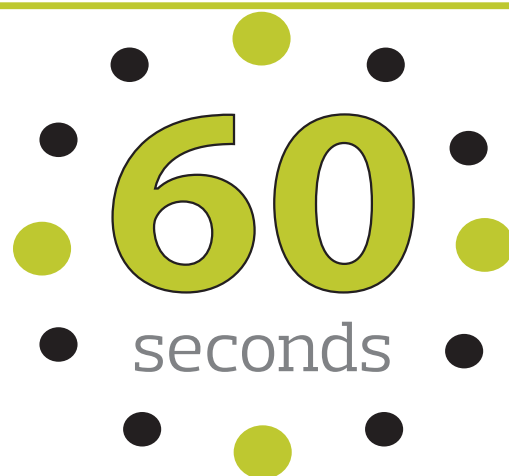

Now I don't normally write a restaurant column but this gem is too good to miss and I cannot wait to return. One has to book ahead and I suspect that there will be few tables available when the Olympic sailing events get under way.

DR JOHN Withrington lives with his wife and two daughters, aged 9 and 11, in Feniton. John moved to Feniton in 1999 and has worked in higher education for many years. In his spare time, John enjoys reading, and thinking about exercise, but his main role is his within the 'Fight for Feniton's Future' action group where he is chairman.

● WHAT is the 'Action Group - Fight for Feniton's Future'?

We're a group of villagers who have come together to help preserve what makes our small East Devon village special. We meet regularly, and have our own website at www.theffff.info

● WHAT are your biggest concerns?

Right now it's the way in which property developers have Feniton in their sights. Three developers have targeted Feniton with proposals which could mean anything between 200 and 300 houses being added to the village: that'd increase the number of houses by anything up to half.

The Local Plan envisages just 35 new houses needed between now and 2026, while a few miles away literally thousands of new houses are being built at Cranbrook. Why pick on Feniton?

● IS THERE a lot of opposition to this scale of development in the local area?

Absolutely! Feniton Parish Council has taken a strong view on the need for development that is both sustainable and of the right scale.

I've met a few times with MP Neil Parish, who has been adamant that Feniton's flooding problems should be solved before any large-scale housing development takes place in our small village.

The most recent proposal by a developer attracted 312 objections on the EDDC website, and over 40 villagers turned up to the meeting at EDDC at which the proposal was rejected - a real testament to Feniton's depth of feeling!

● WHAT is your role as chairman in the group?

Simply to facilitate the meetings of the group, to work closely with the Feniton Parish Council, and to try to bring to the attention of villagers the issues and challenges as we see them. We're not anti-development. We're anti inappropriate development.

Schools join forces

THE primary schools in Branscombe and Broadhembury have decided to work closely together by forming the Jubilee Federation.

Governors at the two schools say the federation will provide security and stability for both and strengthen each school's financial position.

The federation will begin in September and governors also say each school's unique individual ethos, values and admissions procedures will be maintained.

There will be one governing body with representatives from each school and the federation will be led by Katie Gray as executive headteacher.

Branscombe chair of governors Amanda Bentley, Broadhembury chair of governors Alan Johnson and Mrs Gray said: "Both sets of governors are very excited by the new opportunities that federation will bring.

"Governors unanimously agreed that federation would be a positive way forward for both schools. An individual ethos committee will be set up at each school to ensure their unique identities are preserved."

A statement issued by Devon County Council added: "There will be greater opportunities to share the skills of individual staff across all the schools.

"The governors' decision comes following a wide-ranging consultation exercise involving parents and the wider community."

● APART from the threat of inappropriate development, what other problems does Feniton face?

Well there's the constant worry about flooding in the village. Flooding in 2008 devastated Feniton, as you can see from photos on our website.

Property was damaged, untold misery caused, and every time there's a downpour many residents look fearfully out their windows, hoping it won't happen again.

We recently discovered, four years after this all happened, that EDDC estimates that up to £1.6 million will be needed for flood mitigation defence, and yet no budgetary provision has been made so far.

This lack of planning is very disappointing, and we'll be supporting the parish council in their struggle to get these problems fixed.

Pulman's View from the churches

With NIGEL SPELLER

THE Revd Linda Chester of Axminster opens this week: Have you come across the Axminster Job Club? It's now two years since it started, as an initiative of Axminster Churches Together.

Nearly 450 people have come to AJC in the Methodist Church Hall on a Thursday morning for information, support with CVs, internet use and general encouragement over toast and coffee.

The AJC is independent of government funding and operates solely through grants and donations. Open to all, this venture has proved its worth in being able to offer support to the unemployed at many levels from offering a listening friend through to the successful introduction of visitors to employers in the Axminster area.

This worthwhile club could not operate without the real dedication of its 20 volunteers who attend on a rota system. AJC is approved by Honiton Job Centre Plus who refer clients. Do look out for the AJC at the Axe Vale Festival in June - you'll find us in the Spirit of the Community Tent sharing a pitch with Churches Together. It's so good when we can work together.

If you love history, artefacts and memorabilia then St Nicholas' Church in Combe Raleigh is the place to visit over Jubilee Weekend. The church will be open on Saturday 2nd to Monday 4th June from 10am-5pm and will feature a display of articles connected with the history of the village, including parish registers, documents etc loaned by the Devon Record Office. There will be no charge for admission. Tea, coffee and biscuits will be available.

Axmouth Church is marking the Golden Jubilee on Sunday (June 3rd) from 2pm-6pm by filling the church with beautiful Jubilee flowers, and coffee, unlimited tea and cakes will also be available. This is worth a visit - and there will be many other churches open too.

The Chancellor announced in the House of Commons last week an extra £30 million per year for the rest of this Parliament for the Listed Places of Worship Grant Scheme - in addition to the £12 million per year - to cover alterations and repairs to listed places of worship, so that the total annual value of the new scheme will be £42 million.

From October 1st all claimants should receive a full payout on the equivalent of the VAT they have incurred on repairs and alterations to listed places of worship.

CELEBRATING THE QUEEN'S DIAMOND JUBILEE

THE BANK HOLIDAY WEEKEND JUNE 2nd-5th 2012

in East Devon

The Manor House

THE Manor House, a grade II listed building, is a residential home for 15 elderly in Seaton, East Devon. The home is a short walk from the town centre and seafront.

The proprietors live on the premises which they feel helps to ensure that high standards are maintained. The home has recently undergone an unannounced inspection by our regulators, the Care Quality Commission (CQC) and has been awarded a 3 star rating

demonstrating excellent standards. The Manor House has a cheerful homely atmosphere. Visitors often remark on how they are made to feel welcome at all times. There are well-trained staff on duty day and night. The Manor House has a small garden at the front and a courtyard garden at the back with a fish pond, bird feeders and often the resident dog and cat.

Our aims are to provide high standards of care, promote in-

dependence and to enable residents to live life as they choose. Residents are encouraged to follow their chosen pursuits and we provide a variety of entertainment such as quizzes & games. There are trips out around town and to the seafront and trips out in the charabanc. An activities/exercise organiser visits once a week. We have frequent visits from musical entertainers. Residents are encouraged to follow their chosen religious beliefs and a clergyman gives a communion service once a month. We always encourage residents to become involved in local events such as exhibitions at the town hall, sea front fetes and the carnival. We have a visiting library service. It is our policy to provide fresh high quality food from local providers. We cater for special diets such as vegetarian or diabetic etc...

We have fifteen single rooms, all fitted with a wash basin. Nine of the rooms also have an ensuite toilet. Residents are encouraged to personalise their rooms with their own belongings including small items of furniture if they wish. Each room is fitted with a Nurse Call system.

In order to ensure that the placement is suitable, prospective clients are encouraged to visit the home with their relatives prior to admission. The proprietors will also visit the prospective resident at their present accommodation. The first month after a resident is admitted to the home is a trial period to see if the resident is happy and to ensure we can provide the level of care required.

On admission a care plan will be made with the involvement of the resident and their relatives - this emphasizes the resident's potential to manage their own lives as independently as possible and to exercise their freedom of choice. Care plans are reviewed monthly or whenever there is a change in resident's care needs.

Fees vary depending upon the level of care required and whether the room has ensuite facilities. Fees include all care and accommodation costs, food, drink, heating, lighting and laundry. They do not cover the costs of newspapers, magazines, hairdressing and dry cleaning.

Hundreds at service to commemorate Wakley

■ **HAPPY PEOPLE:** Diana Troake (chairman of Membury History Society) and Dr David Evans (The Wakley Society) were pleased with how the day went

ABOUT 140 people attended a service in commemoration of famous Membury son Thomas Wakley (1795 – 1862).

In addition, 320 people visited and viewed an exhibition in the village hall on the same day. The Wakley Society and Membury History Society organised the service, plus the exhibition, in the village on Sunday, May 20th.

A social reformer, parliamentarian, surgeon and coroner, Thomas Wakley was born at Land Farm, Membury in 1795. He also started medical journal *The Lancet* in 1823 and this year it is 150 years since he died, hence the exhibition and commemoration service.

Dr David Evans, a GP at Axminster Medical Practice and a member of The Wakley Society, helped organise the event and said: "Lancet rep-

resentatives, Wakley descendants, interested doctors and supportive villagers packed the church.

"Cannon Dr Paul Avis conducted the ceremony and afterwards an exhibition of Wakley's life was available along with cream teas in the village hall."

Dr Evans has taken a keen interest in the life of Thomas Wakley since delivering a baby at Land Farm many years ago.

He added: "Three hundred and twenty people passed through the village hall that day.

"The recently published *Lancet* article with a recently discovered photograph – the only known one of Thomas Wakley, was available for viewing."

The Wakley Society consists of east Devon-based doctors.

Area advisor Ann joins May meeting of the WI

AT the May meeting the Honiton Afternoon Women's Institute (WI) held its annual meeting and were very pleased to welcome Ann Bowden, the area adviser, who had joined them for the occasion.

Maureen Doidge was unanimously re-elected as president for the coming year, Jenny Richards, the present secretary, will be leaving the area in the coming months and Christine Broom has been appointed as the new secretary.

The president thanked Jenny for all her hard work and presented her with a very at-

tractive plaque incorporating a WI design in Honiton lace.

Later this month Jenny Richards will be hosting a Diamond Jubilee Party in her own home and has invited all members to attend.

Also on the subject of the Diamond Jubilee the Devon Federation of Women's Institutes is celebrating around the county with a lunch at various venues.

The Tumbling Weir Hotel in Ottery St Mary is to be the venue for this area and two members from this WI will be attending this special occasion.

On April 25th six members attended the DFWI Spring Council Meeting at the Riviera Centre in Torquay.

It was a very interesting and enjoyable day. The guest speaker was Chris Beardshaw of the BBC Gardeners' Question Time fame who gave a most entertaining account of his life and career in gardening.

The next meeting will be on June 11th, at 2pm, in the Methodist Chapel, when the Revd Terry Harris will speak on Tin Can Mail from Tonga.

WI ladies enjoy jubilee tea in red, white & blue

SEATON Women's Institute (WI) held its annual meeting on Tuesday, May 15th, during which they were given an interesting talk and question time by the WI Federation advisor Mary Andrews.

An extra special enjoyment was a jubilee tea arranged by the committee and all members were regally turned out in red, white and blue.

Jean Allsopp amused members by reciting very apt poems. A very enjoyable time was had by all.

On April 25th a dozen of the WI group's members attended the always enjoyable Spring Council Meeting at the Riviera Centre,

Torquay.

The guest speaker was gardening guru Chris Beardshaw, who gave an enthusiastic and interesting talk about plants and their relationship with people.

It was very thought provoking and also extremely amusing.

On May 31st the group's outing is to Abbotsbury for lunch and then a visit to the Swannery or the sub-tropical gardens.

Seaton WI meets on the third Tuesday of each month at 2.15pm.

The venue is the Seaton Methodist Church Hall. Please come and join us, you will be made most welcome.

■ **NAT Bruzon** is the new president of Axminster Catenians. Nat was born in London, but lived in and attended school in Gibraltar, for whom he played cricket. He married his wife Patricia there in 1969. Nat is now retired from Coutts Bank and lives in Membury.

Can you help out with family tree research?

■ I AM researching our family tree and wonder if I might ask your readers if they can help?

We believe that Frederick Thomas Ware (1874-1957), the great grandfather of my wife, was born in Ottery St Mary.

Frederick left Ottery St Mary sometime in the 1890s and moved toward Northamptonshire, but his parents appear to have been born, bred and passed away in Ottery St Mary, as were many previous generations of Ware.

Frederick's father was William Henry Ware (1836) and his mother Emma Tooze (1844-1876). William Henry looks to have been 'base born' (out of wedlock) to an Elizabeth Ware.

The Ware family seems to have been quite large in Ottery St Mary, with several distinct family groups.

Some, including our direct descendents, were on Yonder Street in the 1870s, but the name Ware occurs at least as far back as the 1570s, with a Humphry Ware, though we have not yet been able to connect Humphry in any way to our family.

Intriguingly, there is also a Ware farm in the vicinity, though again, we are not aware of a connection.

It would be fascinating to hear from any genealogists in Ottery St Mary who may have encountered the Ware family in their research, or indeed anyone bearing the name Ware who might think we have a connection.

Political lampooning is just a part of life – local or national

■ SANDRA Semple really should 'get a life'. Political cartoons and lampoons have been an important part of political, social and economic life for centuries.

Gaynor Sedgwick has generously suggested that the cartoonist is "very talented" (Pulman's View from Seaton, May 22nd), whereas Sandra has fallen into the trap of asking the ludicrous rhetorical question,

has the cartoonist "got a brain". Her cage is clearly being rattled.

He or she may not have produced the sharpest observation, but has bravely attempted the age old, tried and tested formula for poking fun at politicians.

Take a look at 'Private Eye' and see how close to the knuckle fun poking can get... and how illuminating. Shelley's poetic poke at the mad King

George the Third in 'England 1819', is a more sophisticated, but equally effective way at demisting the windows that open onto the great and good.

Having a thick skin is a key qualification for a politician, (amongst others less savoury), whether local or national, and it is the cartoonist who is best suited to penetrating that skin to illuminate the subcutaneous, pretentious nonsense that too

often lies beneath the surface.

Carry on cartooning and lampooning. It is the stuff of a healthy community.

For a really good target, take a look at East Devon District Council and its relationship to Seaton.

Vote gives crystal clear answer to council

■ I am making these comments in light of the recent town vote and wish to remind Honiton Town Council that they have yet again been given a crystal-clear answer by the residents of the town.

I would like emphasise that the 'no' vote was achieved without the

distribution of several thousand loosely worded leaflets, that I do not think has given any credibility to the supporters group or for that matter, to the town council.

It seems to have been a total waste of money by whoever is responsible.

Those who voted 'no' came out on their own merits; well done!

I have never been against a more affordable choice for the town and I am certainly not against looking to the future for the younger generation either.

In regards to Mr Simpson's comments

in last week's *Pulman's View* (Honiton edition), what a way to successfully alienate some of Honiton's residents!

I may have a difference of opinion but as for being a rump; I don't think so!

Colyton Vintage Tractor Run 2012

Bank holiday Monday (4th June) will certainly be livened up with over 100 tractors winding their way from Colyton to Uplyme. The lead tractor will once again be driven by Arthur Parsons, one of the founder members, who has driven the lead vehicle in all 12 runs.

The run has become a great family day out with trailers of every description bringing family and friends along. This year the run will leave Colyton Peace Memorial Playing Fields as usual at 10-30 a.m. and follow a route to Uplyme and returning to Musbury Village Hall for lunch. Some challenging off road

driving should keep the drivers busy and the astounding views will delight drivers and passengers alike. Make sure you are on the route by checking for the tractor signs along the way.

The route planned by Ken Clifford and his team, will take the run through areas never been used before. Some of the views are breath taking so be prepared to be astounded.

Spectators are welcomed at the beginning, end and around the route with collection trailers and buckets aplenty.

The sky's the limit

Pulman's View reporter **PAUL CROMPTON** takes to the skies with Gliding Club

STRAPPED into a small, fibreglass cockpit attached to a long wire rope I nervously contemplate the reasons I chose to go gliding.

Since the dawn of man people have looked to the sky and wanted to soar with the birds – now, sat in a wind swept field, I was about to understand the fascination first hand.

The glider starts to skip across the ground, accelerating to 60 miles-per-hour, then with an awkward feeling in the pit of my stomach, exactly like the one when taking off in a jumbo jet, I'm in the sky.

I look down 900 feet to where I was just seconds ago and feel immediately pleased I signed up with Devon and Somerset Gliding Club

(DSGC) to take a birds eye view of the Blackdown Hills.

As I start to acclimatise, my pilot Pete Harmer, co-owner of DSGC with his wife Jill and a fully qualified BGA (British Gliding Association) instructor, hands me the controls. The club's Chief flying instructor says: "Keep an eye of the horizon dials, now turn right as much as you feel comfortable with." I push the lever and the plane banks, it's a sensation which I cannot remember feeling before. It's very moreish.

And now the chance to experience unpowered flight is being given during an open weekend at the club on Saturday 2nd and Sunday, June

3rd. For just £25 people will get the opportunity to fly with one of the club's qualified instructors.

Based at North Hill airfield on the Blackdown Hills between Honiton and Cullompton the club provides training to members in a modern fleet of two-seater gliders with the aim they will one day be able to fly solo.

The club offers launches by winch, and by aerotow using its own Piper Pawnee towplane.

Gliding spans all age groups and members are drawn from a variety of backgrounds. Many start before the age of 16, whilst others discover the sport later in life.

Its fully qualified BGA (British Gliding Association) instructors can tailor instruction around individual needs according to age and previous experience.

The clubhouse will be open throughout the weekend, with hot and cold drinks, snacks and light meals available

Trial lessons can be booked on any club flying day. During the summer the club runs organised group evenings and offers a discounted rate for young people.

For more information visit the club's website www.dsgc.co.uk or come over and visit us at the gliding club on any weekend.

Jess goes Jurassic

ALTHOUGH based in Norwich, singer songwriter Jess is probably better known in countries such as Norway due to extensive touring she has undertaken on the continent. But the UK is beginning to wake up to her distinctive, appealing voice, dynamic guitar playing and well-crafted songs which draw on both British and American folk tradition. She cannot be placed in any particular pigeon hole, it is quite obvious she has her own individual style and unmistakable voice. Her songs are living and breathing, tell stories bursting with graphic imagery, and scream out to be played.

Jess self-released her debut album, 'All Swell', to notable acclaim in 2010. Working completely independently, she gained the attention of the musical media. BBC Radio 2's Steve Lamacq said "...every so often you come across a little gem like this..." and Acoustic Magazine "...catchy, melodic with a roots edge, Jess Morgan goes it alone and against the grain...". Now her second album 'Aye Me' has only just come out and looks like it will make even more of an impression. With busy UK tours underway, 2012 is on its way to being a great year for Jess. Doors are open at 7.45pm and advance price tickets at only £5,

as well as lots more information can be had by visiting the website www.eastdevonfolk.org or phoning 01297 20064.

Jess Morgan will perform at Jurassic Folk, at The Grove, Seaton, at 7.45pm on Wednesday, June 6th.

Celebrate the jubilee in style at the newly refurbished Deer Park Country House Hotel

OVER the past 12 months, the Deer Park Country House Hotel in Honiton has seen a dramatic transformation. In April 2011, the 16-bed-room hotel and restaurant reopened following a substantial refurbishment to the whole of the ground floor, along with the Deer Park's principal bedrooms.

The second phase of the refurbishment continued in October 2011 to the conservatory, or Sports Bar as it's now called. The Sports Bar can accommodate up to 70 guests and is equipped with its own bar and a detachable screen which offers perfect viewing for memorable sporting events such as the Olympics and Euro 2012. With free wi-fi and stunning views overlooking landscaped gardens, the space offers a motivational backdrop for conferences and a great space for special occasions.

The more recent changes to the hotel have involved repositioning the wedding marquee which is now perfectly situated next to the Sports Bar and shares wonderful views across the gardens.

Although there have been many changes to the hotel, the exquisite charm, traditional character and friendly staff remain the same. Guests can enjoy light lunch on the terrace, an unforget-

table afternoon tea and delicious dinners, plus the hotel's 3 mile fishery delights the avid angler.

The hotel is currently offering a Midweek Mayhem lunchtime menu with 2 courses for £12.95 and 3 courses for £15.95, available Monday to Friday. On June 4th the hotel will be hosting a Jubilee Afternoon Tea party with jazz, Champagne, Pimms, traditional afternoon tea and

garden games.

Mercedes-Benz reveals new SL prices

- Advanced aluminium construction reduces weight by up to 140 kg
- 3.5-litre V6 and 4.7-litre V8 BlueDIRECT direct-injection petrol engines combine enhanced performance and improved efficiency
- Three roof options available including MAGIC SKY CONTROL
- HANDS-FREE ACCESS allows remote opening and closing of boot
- Innovations include MAGIC VISION CONTROL wipers and Frontbass audio speaker system
- Passive and active safety package makes SL the world's safest roadster

PRICING for the sixth generation of the world's most iconic roadster, the new SL-Class Roadster has now been confirmed. The SL 350 is priced at £72,495 on-the-road and the SL 500 will cost £83,445 and both models will arrive in the UK in June 2012, followed by the SL 63 AMG and the SL 65 AMG later in the year.

Lighter, leaner, sportier and more efficient, the new SL is built almost entirely of aluminium and powered by Mercedes-Benz BlueDIRECT direct-injection engines which have improved fuel efficiency and reduced emissions by up to 30 per cent compared with the previous model, while delivering even more performance.

The SL 350 is powered by a BlueDIRECT 3.5-litre V6 engine. This direct injection 3,498 cc power plant is 30 per cent more economical than before, yet with 306 hp at 6,500 rpm and 370 Nm

of torque at 3,500 – 5,250 rpm it also delivers sharper performance, accelerating the two-seater to 62 mph in 5.9 seconds and onto a 155 mph electronically limited top speed. This thrilling performance is complemented by excellent combined economy of 37.7mpg and CO2 emissions of 176 g/km.

Performance and economy figures for the SL 500 are equally impressive. The 4,663 cc BlueDIRECT V8 engine – which combines direct injection and twin-turbo technologies - develops 435 hp at 5,250 rpm and an impressive 700 Nm of torque that is available from a low 1,800 rpm to 3,500 rpm. The 1,785 kg SL 500 will sprint to 62 mph in just 4.6 seconds, and like the SL 350 is electronically limited to 155 mph.

Even with the increase in power and torque over the outgoing model, the efficiency of the SL 500 has improved by 26 per cent, now returning 30.7 mpg on

All new SL-Class Roadster available OTR from £72,495

the combined cycle, while emitting 214 g/km of CO2.

The new SL-Class saves water as a result of the MAGIC VISION CONTROL intelligent wash/wipe system which is fitted as standard. This applies the ideal amount of washer fluid to the screen just in front of the wiper blades to ensure the driver's visibility is not impaired during cleaning and occupants are not splashed when the roof is down.

New and unique Frontbass speakers use the space in the aluminium footwells of the new SL-Class as resonance chambers, filling the cabin with concert hall-quality bass sounds and freeing space in the door panels. The new SL-Class also offers buyers HANDS-FREE ACCESS to the boot, as part of the optional Keyless-Go Comfort Package. By waving a foot under the rear bumper, the luggage compartment can be opened or closed – a world first.

The new SL-Class keeps its classic sports-roadster proportions, with a long bonnet and set-back cabin, yet is longer, wider and lower than before. It continues the tradition of innovation that stretches back 60 years to the racing prototype, which led to the legendary 300 SL 'Gullwing'.

The SL's aluminium construction – a first for a Mercedes-Benz series production car – reduces weight by up to 140 kg, despite significant increases in safety and luxury features. The only non-aluminium body parts are the magnesium sections of the rear floor and the high-strength steel implants in the front windscreen pillars for peerless open-top safety.

The body is also significantly stiffer than that of the previous model. This provides an ideal platform for the chassis – which features semi-active ad-

justable damping or optional Active Body Control, and Direct Steer speed-sensitive power steering – to deliver more nimble and sporty responses with no sacrifice in comfort.

The new SL-Class can justifiably claim to be the safest roadster in the world as a result of its comprehensive standard protection features, which include PRE-SAFE, NECK-PRO, ATTENTION ASSIST and ADAPTIVE BRAKE. The pro-active DISTRONIC PLUS AND PRE-SAFE BRAKE are among the optional safety features.

More than ever, the Mercedes-Benz SL lives up to Gottfried Daimler's ethos: 'The Best or Nothing.'

Standard specification includes the following:

Pre-safe, Attention Assist and Active Bonnet, Intelligent Light System with bi-Xenon headlamps, Magic Vision Control heated adaptive wiper system, COMAND Online with Media Interface, Sports seats trimmed in leather upholstery, 18" five-twin-spoke light-alloy wheels

208 awarded 5 stars by Euro NCAP

THE main aim of Project 208 was to design a car that was compact, comfortable, economic and with good road handling. Bringing all of these criteria together is challenging; however the objective has been achieved! 208 has all of these qualities.

Smaller on the outside, bigger on the inside, the 208 is practical for day to day usage, particularly in an urban environment, while also offering more comfort. Further advantage comes from this new architecture: the 208 is lighter by 110kg on average compared to the 207, which produces lower CO2 results and excellent fuel consumption. Just as the weight reduction has enabled a reduction in running costs, it also has a positive impact on the safety performance of the vehicle. Every kilogramme removed corresponds to a reduction in energy to displace.

This year the independent organisation Euro NCAP has introduced a new level of award which makes it even more challenging to obtain high star ratings.

With this more demanding criteria, the 208 is the first car

in its segment to obtain 5 stars, which is the highest rating possible. Starting with the Access trim entry level model, the 208 is equipped as standard with a high level of equipment: ABS, ESP, six airbags, rear Isofix fixings, speed limiter, front seat belt warning, collapsible steering column,

and more. Its structure also contributes to occupant protection: aluminium absorption beam, very high strength steel (VHSS) and ultra-high strength steel (UHSS) panels.

This Euro NCAP result is best proof of the 208's level of safety protection, both in active and passive condi-

tions. In addition, arranged around elements which play an important role in this area, the re-styled architecture of the driving position makes for safer driving.

By bringing eye level information closer, the raised instrument panel minimises the time that the eyes need to leave the road to check in-

formation. Linked to the improved weight, the small steering wheel gives better agility and offers the driver a new and improved dynamic driving experience.

Good Foundations

TO all my passed pupils, (quite a few I think!) I would like to thank you all for the pleasure in being able to teach you all to drive, and I am sure you will agree that my teaching standards were very high, (and still are!).

As a matter of interest I often wonder how many of you have gone on to improve your driving skills, I know a few of you have gone on to become top drivers in your given careers, such as Police drivers, one I know of became a Police

Driving Instructor, Ambulance drivers, Bus and Heavy goods drivers, and one of my passed pupils now drives a tank for the British Army, a far cry from my little 1.5D Renault Clio!

For those of you that have not been driving long, I wish you all the best. And to keep trying to improve your driving skills, and maybe reduce your insurance pre-

miums by thinking about more advance driving courses. Pass plus is always a good way to start, you can also save fuel cost by improving your Eco driving skills.

PLEASE FEEL FREE TO CONTACT ME, I would love to hear from you (email is best). Thank you all again, best wishes and happy safe motoring!

REPORTS

AXMINSTER 1st XI 245-8 BEAT CHUDLEIGH 180 ALL OUT

AXMINSTER 1st XI's second home game of the season might be the start of things to come from the Axe men.

Skipper Paul Miller continued his run of losing tosses and was asked to bat first against a slightly depleted Chudleigh side.

A new opening partnership of Robbie Prior and Nick Taylor took Axminster to 34 without loss after just six overs before both were dismissed in quick succession.

This brought Miller and Tristan Wakeley to the crease. A third wicket partnership of 105 followed, with Wakeley putting last week's missed half-century chance behind him and scored 52 with 7 fours and 1 six.

Marc Jenkins scored a very useful 14 runs, but more importantly helped put on a sixth wicket partnership of 52 with Miller.

The captain stayed at the crease for the whole innings and finished on a superb 100 not out with 14 fours and 1 six as Axminster's innings finished on an impressive 245 for 8.

Chudleigh came out on the attack with their overseas player D. Marais scoring a quick 39 before young Matthew Pile trapped him in front. Pile did not stop there, taking three more wickets to finish with good figures of 4-41.

Ben Libby also got amongst the wickets claiming 4-57.

Dan Fuzzard showed he has a good bowling career ahead of him with his first ever wicket for the firsts as Chudleigh were dismissed for 180.

Axminster travel to Barnstaple on Saturday.

SEATON 1st XI 204-3 BEAT COCKINGTON 110 ALL OUT

SEATON travelled to the beautiful Cockington Court to take on Cockington knowing a win was needed.

Captain Ben Morgan lost the toss and, after Seaton were inserted into bat, they lost John Waterhouse after just three balls.

Stephen Pritchard joined Ed Hunt at the crease and the pair put on 150 runs for the second wicket with Ed Hunt scoring his maiden century for Seaton with a fantastic innings of 108 whilst Steve Pritchard scored a steady 48. The pair fell in quick succession but Mark Bray and Mike Wheeler saw the visitors make 204-3 with Wheeler hitting a six off the last ball of the innings to secure full batting points.

Unable to keep wicket because of a long knock in the muggy heat, Hunt handed the wicket-keeping duties to 14-year-old Reid Mawdesley to make his debut with the gauntlets for Seaton CC after only taking it up four weeks ago!

Phil Collins opened up with the new ball and took two early wickets. There followed an unlucky run out when the batsman hit a straight drive where Collins got a touch on the ball en route to hitting the stumps as the batsman at the non strikers end was out of his ground from backing up.

Morgan, Ben Copp and Joe Berry bowled well through the middle overs and despite Cockington putting up a fight, they were all out for 110 with Copp taking three wickets, and Morgan, Berry and Collins each claiming two.

Morgan said: 'It was nice to see the top order making runs. It was a very professional performance from both batsman, bowlers and fielders on a dodgy wicket.'

Seaton take on top of the table Yelverton on Saturday at Court Lane with

Seaton welcoming back Nick Beedell and Matt Hancock. Morgan said: 'It is nice to have players available, it will be a tough selection but it can only be a good thing with people having to play for their places.'

HONITON 2ND XI 171 PLYMOUTH CS & ROBOROUGH 2ND XI 172-7

AFTER winning the toss and batting Honiton lost early wickets as Sluman went for 7 and Groves for a two-ball duck.

Strawbridge began to find his range, while Captain Lapping helped set the innings back on an even keel with 16.

Brinsford made a handy 20 before succumbing to an LBW. Oli Alcock helped himself to a couple of sixes off Becky Piddock. She, however had her revenge, taking the wickets of both Pulman and Alcock to make it 165-8.

Strawbridge finally holed out for a fine 84 (11 fours) as Honiton were dismissed for 171.

The P&R reply was soon in trouble at 14-3. Alcock struck the timbers in his second over to make it 60-5 and Honiton were in the ascendancy.

Then the rot set in as catches began to go down.

Thereafter P&R kept the runs flowing freely, despite Brinsford finishing with 4-35, but the hosts cantered home by three wickets.

Skipper Andrew Lapping was in a confident mood despite the loss, he said: 'We showed good fight today, we are improving without yet being able to select our full strength side so despite losing I'm happy with how we are going at this stage.'

ALL SAINTS 219-8 LOST TO MIDDLEZOY 2NDS 223-7 BY 3 WICKETS

AFTER losing the toss All Saints were asked to bat first in hot conditions by Middlezozy 2nds, and made hay while the sun shone.

Despite an early collapse to 54-4, skipper Mike Nunn and James Wallace set about building a century partnership, before Nunn went for 73 with the score on 160.

Saints kept pushing towards the 200 mark, with Wallace hitting two sixes before departing for an excellent 63.

Late contributions helped the score to an imposing 219-8 from Saints' 45 overs.

In reply, Middlezozy were reduced to 36-3 by Steve Trott and Jack Larcombe, but half centuries from Purchase (54) and Webb (63) brought them back into contention.

Wickets from Jack Larcombe (2-38) and Fraser Wallace (2-31) brought the game into Saints' favour, but when Nunn and Steve Trott bowled expensive second spells, it was neck-and-neck going into the final few overs.

After heroics from Wallace in the penultimate over, seven were required for victory from the final over. Only two balls were required though, as S Keith hit a huge six and a straight four off Nunn to finish the innings.

ON THE SPOT...

VIEW FROM Sport puts Axminster Cricket club's PETER KIY

UNDER THE SPOTLIGHT

QHow long have you been involved in the local cricket scene? Who have you played for?

AI joined ATCC about seven years ago after a friend and neighbour said I should play again. I'd played at school and for a local pub side before moving to Devon. Then I played for a non league team before joining Axminster.

QName the three best players you played alongside so far and why.

APaul Miller, our first team captain for his batting, Gary Larcombe and Robbie Prior as 'all rounders'.

QWhat's the best away ground you played on?

AOur ground rates amongst the best in the league's I have played in - if it's good enough for Devon to play their county games that says something.

QDo any games stick in your memory?

AOf course high scores and good bowling figures always help, but there have been games where the whole team has enjoyed playing and there has been a great atmosphere, those games are memorable.

QHow would you improve things at Axminster CC?

AWe lack volunteers, we are always looking for helpers, scorers and umpires. Our next project would be to improve changing facilities at Cloakham.

QWhat is your top score/ best bowling performance?

Moore's clock-up four wins

TWO individual events and two days of close competition at Wiscombe Park saw the battle for overall supremacy as hard fought as ever writes Geoff Pickett.

In the Saturday meeting Ed Hollier, overall victory in a week ago, made his challenge for overall victory with a climb of 36.58 seconds in his Pilbeam MP62-Suzuki Hayabusa.

Despite his attacking approach to the 900 metre course Hollier's time was trumped by Frampton driver Rod Thorne in his 3.5 litre Judd V8 powered Pilbeam MP58 who claimed his second Wiscombe victory of the season with a 36.25 second ascent.

Twenty four hours later the Fastest Time of the Day was disputed by three drivers. Thorne, Hollier and Terry Graves in his 3.5 litre Gould GR37. The latter, another previous winner at Wiscombe Park.

Graves threw down the gauntlet with a first climb of 36.58 seconds with Hollier retaliating on 37.03. Thorne rounded out the top three having set 37.26 seconds. Second time out the MP62 pilot was unable to improve his time as Graves shaved one tenth of a second of his previous effort.

As the event was building to a climax, the MP58 of Thorne experienced problems on the way to the start line. The Judd V8 engine would not fire-up. A change of battery was effected but then the dashboard read-out advised of no oil pressure.

Although it could well have just been a glitch in the sensor the team were forced to retire the car pending further investigations.

Another driver from Frampton, Colin Pook, claimed a victory and a second place in the large capacity Sports Libre class with the Pilbeam MP43 sports racer.

In the Saturday event Pook took the honours with a best

climb of 40.52 seconds but the following day his best effort of 40.18 was defeated by Doug Bennett in his 2.3 litre Sylva Striker by 0.45 second.

Hayley Thorne continued her acclimatisation to the Rover V8 powered MP43 with a best time of 42.58 from the weekend's sport.

Reigning Bridge Wheels and Tyres Wiscombe Champion Craig Moore was another to claim two wins, this time in the Rally Car class.

The Lyme Regis driver powered his Ford Cortina Mk2 past more modern Ford Escorts to not only record class wins, but on the Saturday event his enthusiastic driving style also took the trophy for 'the most entertaining driver' as judged by the course marshals.

There was more to come for the Moore family however, with the Citroen AX of Axminster's Lee Moore taking two decisive wins in the 1400cc division of the Road Going Series Production Car category both with comfortable margins.

Close run ladies final

FENITON with Roger Smith

THE men's indifferent start to the season continued with a narrow 79-81 defeat by local rivals Ottery St Mary in the County Trophy competition.

The two away rinks won earned four points, the winning rinks were: J. Livings, A. Smith, D. Coyne & J. Skinner 23-13 and R. Cooke, E. Cox, D. Evans & K. Lovering 25-19.

The Ladies were drawn against the powerful Madeira Ladies in the Grace Matthews cup and lost in all five disciplines.

The men's over 60s A team recorded their first win by defeating Dunkswell 37-31 securing all eight points.

The winning rinks were: E. Cox, A. Smith & A. Evans 20-15 and J. Livings, M. Chipperfield & P. Edmonds 17-16. Meanwhile, the B team's early season form deserted them as they lost away to Morchard Bishop by 21-49.

The mixed team also suffered a defeat away at Phear Park losing by 58-80. The only winning rink was G. Smith, E. Cox, S. Kury & D. Evans 21-19.

The weekend was devoted to the Ladies and the Gents two wood singles.

The semi-finals produced three very close matches. In the men's semi-finals G. Phillips defeated A. Smith 15-12 on the last end and A. Kury defeated D. Evans on an extra end by 13-12.

In the ladies semi-finals J. Smith defeated L. Eveleigh 14-13 on the last end and D. Phillips defeated J. Edwards 17-5.

In the men's final, A. Kury defeated G. Phillips 17-6. The ladies final was a real nail-biting affair with D. Phillips defeating J. Smith winning with her last wood

SEATON with Linda Stone

On Monday, May 20th we were due to play six rinks against Ottery St. Mary.

Unfortunately the game was cancelled, and rather than disappoint our keen bowlers, we rearranged the 24 players into four triples and played an internal competition. The joy of this was that Seaton won and also came second!

We also took the opportunity to raise some money towards the club's charity with homemade cakes and a raffle.

On Bank Holiday Monday (June 4th) we will be holding our official Charity Day when we hope to add to the £70 we have already raised.

The ladies had two Over 50s Triples games this week. Unfortunately we lost at Exonia one triple each, but on overall points were just pipped. At home to Sidmouth we were out-bowled on both triples.

On Thursday we played a friendly game against Crewkerne at home. Seaton won a close fought game 99-90.

The top rink was: S. Moore, N. Stone, D. Yardley & B. Thompson, winning 27-15.

The men's over sixties triples league 'A' team played away at Pincas Gardens, they had a convincing win.

Top Triple was: D. Ford, K. Miles & R. Woolland. The 'B' team played Chadford at home and also won a close match 38-37.

The County Foxlands round one was played on Thursday 24th against Ottery St. Mary.

We won the away match and lost the home one, but won overall with a score of 35-34.

SENIORS

IN the recent Emerton Court Trophy match the Seniors came up against a strong, committed team in Holsworthy and despite some close games succeeded only in winning a half point from Peter Knighting and John Mant.

On Friday, 36 members took part in the Seniors only Foursome event for the Brian Abbott Trophy.

Three teams recorded scores of 33 points and placings were decided on countback resulting in first place going to John Pugh & Malcolm Glass. Second were Terry Jessup & Bryan Dale and third Gerry Turner & Mike Jamieson.

For those not yet blessed with grandchildren, a new "Non-Grannies Trophy" was on offer and won by Jane Watts with 36 points.

Bronze One division winner was Linda Northover (33 points) just beating Joan Smith (also 33 points) on c/b. Bronze Two division was won by Susan Hyde (35 points) with Di Wall in second place (30 points).

SENIORS SECTION

HONITON Seniors' Open event attracted 180 entries from Dorset, Somerset, Bristol and Cornwall as well as Devon.

The participants enjoyed a very hot, sunny day and all finished the course despite of the heat. A fine event was organised by Vice-Captain Bob Underwood who had an exceptional prize table of golfing goodies and serious liquid refreshments. They were presented by Dave Morgan, the club Vice-Captain.

The overall winners were C.Barnes & C.Coles of Churston Golf Club who won accommodation and golf at a well-known golf hotel. The other visitor prizes went to players from Downes Crediton, Holsworthy, Bristol, Ilfracombe and Weymouth in that order.

Local winners were Dave Morgan & Ron Graham, Pete Morgan & Ted Chandler, Jim Wallis & Bob Cleal, Phil Faulkner & Howard Clayton, Merv Blackmore & Graham Charleton.

In addition, there were prizes for nearest the pin, nearest a marker on the 18th and several holes were sponsored by local businesses, giving bottles of wine for a birdie.

running Axe Valley

LAST weeks blistering weather was just what Stephen Reynolds, Geoff Woodward and Steve Boyce did not want as they ran their epic **Forces March**, 5 marathons in 5 days *writes Dave Mutter*.

It started on Wednesday at Ilfracombe and finished 133 miles later at Bulford Camp. Each day was sweltering, but this did not stop the lads completing all five marathons and they finished their last one in a superb 4 hours 12 mins. Unsurprisingly, the team were very pleased to finish and ran as a three-man team to the end.

This was an incredible achievement and if you would like to add to their sponsorship for the Veterans forces charity, go to www.justingiving.com and search for Stephen Reynolds or Geoff Woodward (Not Steven Reynolds).

Run in the Wild, a 10K around the beautiful but very hilly Cricket St. Thomas grounds was run on Sunday with Robin Britton the first AVR home, 35th in 53:22, a very good time for such a hilly course. Mary Kellam was next, 149th in 1:26:20.

Harry Moore was asked by Stuart Hall the race organiser to take his 17-year-old son, also called Harry, around with him. Harry duly obliged and the pair completed the run with a cheering crowd for support in 2 hours 3 min, winning a bottle of cider for being the oldest competitor.

The hardest parts of the third annual **Salcombe Coastal Marathon** occurred when gazing at the stunning scenery whilst trying to keep a wary eye on the uneven paths over the cliff tops.

On a glorious sunny Saturday eight Axe Valley Runners wended their way from start of the run at Torcross, to the first of the magnificent views at Start Point, clambering over to East Prawle and on to catch the busy little passenger ferry to Salcombe. It was here that Robin Carter, who had been running with her dog, completed the half marathon.

The others followed the coastal path acorn signs to Bolt Head, over a couple of huge hills to Hope Cove along the golf course at Thurlestone ending the run at Bantham. Garry Perratt and James Jackson completed the run in just over four hours, followed by Graham Newton who was back in good form even though he chose a couple of longer scenic routes.

Paul Johns, carrying a heavy rucksack, arrived back next with Jon Day. Eleanor Wood ably navigated, keeping the sea on the left, to accompany Phil Bayliss back to the finish. It was a wonderful day for this event which was staged in aid of National Coastwatch Institute.

Adding to the past week's long-distance madness, on Sunday new AVR Tom Bland ran a ten-mile multi-terrain loop, mile for mile about half as hilly as the Grizzly. He started at 5am and planned to keep going for 12 hours.

Eleven hours later he hit the 100Km mark at the end of the sixth lap and was feeling somewhat weary so decided to call it a day. He was joined at various times by Chris Irving for half a lap, Andy Bowman for 2.5 laps (his greatest distance for a long time) and Garry Perratt for three laps but who obviously hadn't run far enough in the previous day's Salcombe Coastal Marathon and decided to add a fourth on his own afterwards.

Tom now has just three weeks to recover before embarking on his two-week run along the entire South West Coast Path ... that's right, 631 miles in 14 days!

Both Saturday teams, Colyton Raiders and Colyton Redsocks had Exeter league success culminating in Redsocks reaching the final of the

League Plate trophy final played at Exeter City's St James's Park. In a tight final, and against the run of play, Colyton edged past Sidmouth 1-0.

Pixies out-pointed as Bo-Peeps progress

ANOTHER full week of fixtures in the Honiton summer netball league and once again there was a lot of movement in the table *writes Graham Ingram*.

OPG became the fourth team to occupy the number one spot whilst both Flamingos and Uplowman jumped three places up the table but Bo-Peeps were the biggest climbers moving off the bottom to go into seventh place.

With Denise Meyers in good attacking form OPG soon reduced their deficit start against Hi Q and were level at quarter time. Hi Q worked really hard and with Stacey Salter doing well they were always in the game, but Flamingos squeezed home 32-28.

With Sonia Yorke playing well for Flamingos they came back from being 12-6 down at quarter time to end the game with a fine 32-22 win. Uplowman continued their climb up the table thanks to a 43-34 win over Howden Hawks.

The first two quarters were close with Uplowman just 23-22 ahead at half way. In the third period Emma Burrough played very well and Uplowman started the final session 36-27 in front.

Sue Merrett would not let Hawks give up the fight and the last quarter was nip and tuck with the final whistle showing a 43-34 win for Uplowman.

Once again Poppy Williams had a splendid game for Bo-Peeps whilst

Emma Griffin played well for Pixies in the game that ended with a 41-27 victory for the Peeps and a big jump up the table.

running Honiton RC

ON a blistering hot Saturday evening last weekend, four Honiton Running Club members took part in the inaugural running of the **Little Long Run** organised by Graham Hill with the help of Sidmouth Running Club *writes Judy Davey*.

The event, classed as a grade B fell race, was about four miles long with nearly 1000 ft of climb. The race was run on the grounds of Clinton Devon Estates in the Otter Valley and the first two miles were up, up and more up.

Graham had warned runners at the start that they had to focus on fell running being all about getting to the top and then enjoying the run down.

The terrain was very uneven underfoot throughout with plenty of wood and branches to clamber over. Once the finish was in sight, runners were taken through the river around the edge of a field and back through the river before the sprint to the finish.

Steve Davey was 9th overall and first back for Honiton in a time of 39 minutes 43 seconds and Bruce Strawbridge was just one place later in 40:22. Judy Davey was 17th in 46:36 and 3rd lady and John Burgess completed the line up finishing just 2 places behind in 48:42. The race was won by Chris Gill in the speedy time of 32:21.

There were 40 runners. Taking part in this low-key event was a great chance to run on private land not normally accessible by the public.

On Sunday, Howard Bidmead ran the **Swimbridge 10k**; a tough multi-terrain race along lanes, tracks and hills of North Devon. Howard finished in 49:22 and was 26th out of 126 runners. The weather was slightly cooler than it had been recently but plenty hot enough to race in.

HONITON U15s vs OTTERY ST MARY

HONITON won the toss and put Ottery into bat, and the visitors made steady progress against some tight bowling, but then lost three quick wickets to be 43 for 3, as Hamish Culling took 2 for 18, Billy Reed (19), had the early runs for Ottery.

The game continued to tick on at an even key with neither side able to take control, and despite 2 late wickets from Charlie Wright (2 for 1) a late flurry from B Rudolph (28) and 49 no from Dan Pyle the Ottery total ended on 126 for 4.

The home side's reply got to 22 in no time before wickets started to fall at regular intervals, but with Keiran Murphy (33) still at the crease runs still flowed, but when he fell with the score on 80 for 7 and they finished on 105 for 8.

HONITON U17s vs AXMINSTER

HONITON batted first and scored quickly with Jake Smith (25) contributing the early runs.

But looking well set on 64 for 3 in the 10th over, a flurry of wickets slowed the rate, and it wasn't until Jake Pulman (19) and an unbeaten 29 from Tom Cligg the runs flowed again and they finished on 131 for 8, Pevely 3 for 19 and H Felgate 2 for 29 did the main damage for the Ax men.

The home side made a steady start with Cross retiring on 53no. Ben Broom took 2 for 26 removing some of the middle order. Felgate (35no) however carried his bat from the start to see his side over the line with just four balls to spare.

Seaton Town stroll to cup victory

Third scalp secured

Budleigh Salterton 1 Seaton Town 3
MORRISON-BELL CUP FINAL

Tuesday, May 22nd (at Ottery St Mary)
 SEATON Town finally overcame Budleigh Town in the third meeting between the seaside neighbours in the last 23 days.

After a defeat and an abandonment in the Axminster Hospital cup Final the Greens were clearly looking for recompense and took the game to Budleigh from the off at Ottery St Mary's sun-kissed Washbrook Meadows Ground.

With 'keeper Dave Perham a virtual spectator for the opening 40 minutes Seaton deservedly took the lead in the 18th minute when Josh French's right-wing cross found Dan Norman whose downward header bounced over Budleigh gloveman Adrian Pullin and into the net.

Norman, who had a superb first-half,

By Howard Larcombe

howard@pemediaco.uk

turned provider for the second goal 10 minutes later with a neat pass that sent Ben Ede though for a one-on-one with Pullin. Ede showed a cool head to guide a shot into the corner and put his team in control.

Budleigh finally awoke from their slumbers in the 40th minute when Perham did well to tip a long-range effort round the post. Seconds later a free-kick from similar distance was charged down by the Seaton wall only for the referee to award a penalty for handball.

But Seaton survived when the spot-kick cannonned back off the crossbar. From the ensuing melee a flick shot struck the post but the Greens goal remained intact.

The Robins came out with more purpose after the restart but any hopes of staging a late comeback ended when Pullin was shown a straight red-card after punching French as the pair challenged for a loose ball.

Five minutes later Ede made the game safe with a deflected effort for his 30th goal of the season.

Substitute Danny Williams grabbed a late consolation for Budleigh. But Seaton fully deserved their victory which was made all the sweeter by beating three teams along the way from the South-West Peninsula from which they have recently been prevented from entering next season.

Seaton line-up: D.Perham, C.Cross, J.Hayes, M.Perham, C.Vere, A.Wheatley, B.Ede (captain), M.Hancock, T.Vincent, J.French, D.Norman. Subs: K.Love, J.Richards, D.Stapleton.
